首长，您辛苦了.....

Chinese bloggers have been stunned by this newly released photo: a box of viagra, a special supply for communist leaders and army senior commanders, distributed by the General Logistics Department of the People's Liberation Army. (PLA)

One blogger commented: "I am not surprised at all at this news and I expect that their 'special supplies' also include women to use."

Another blogger: "No wonder the communist leaders like to [rape young girls.](#) "

[What are communist leaders' special supplies?](#)

Special food supply are internal stores which only senior communist leaders can attend to buy commodities. There are stores in major cities in China. These stores stock daily consumer items, food, grocery, wine, etc. They are as well supplied as a department store especially with food, meat, etc, which are organic.

Viagra Vitalizes Communist Leaders?

Last Updated Monday, 28 October 2013 21:36

Communist leaders have access to special food supplies because of the contamination and adulteration of many basic foods in China which the ordinary citizen has to contend with.
