

Twin Brothers Marry Twin Sisters

Yu Tang

On 28th March, twin brothers, Zheng Shouwei and Zheng Shouhua, married twin sisters, Fu Jing and Fu Jie from a nearby village of Jiaozhou county, Shandong province.

The grooms are almost exactly same height, same voice and features, and villagers always find it hard to distinguish them. the situation is just the same for the twin sisters.

To avoid the guests getting confused the groom announced their difference before the events:

Zheng Shouwei wears the light purple shirt with blue striped tie; while his brother, Zheng Shouhua wears blue shirt with purple striped tie. The brides had also revealed their different marks to their grooms secretly: there is difference with their necklaces and hairdos!

The bridesmaid told local media that the two pairs of twins were classmates in high school. They did not think about dating during that time. The boys uncle's family lives in the same village of the girls. During New Years' celebration last year, the boys went to visit their uncle's family and met the girls at their uncles' home. So the matchmakers were invited.... 3 days later the parents of both families had happily set a wedding date!
