

Another senior leader of the Communist Party of China, Zhou Yongkang, the 9th ranked member of the powerful Politburo Standing Committee, and the head of the Central Political and Legislative Committee, has followed Bo Xilai in being toppled from his post, [according to Renmingbao](#).

During the annual meetings of the NPC and Chinese People's Political Consultative Conference, he gave Bo's Chongqing Model—the political campaign that involved arresting those said to be gangsters and having the people sing Maoist-era songs, his approval.

On the 19th March, it was still being reported that Zhou Yongkang was to chair the Central Political and Legislative Committee meeting on the 22nd March.

On 20th March, the communist regime's mouthpiece, Xinhua news reported that Beijing had called national party leaders to gather in Beijing for 'training' on the 26th March. Xinhua said that “training includes special counselling, teaching, exchange of experience and the combination of feature films, group seminars, focused around the situation and tasks of political and legal work, enhancing and innovation of social management, duties and competence of the local Party Committee, Secretary of the Commission, such as teaching. ”

Reports also said: “that large-scale training for local party leaders will start from the end of April. At that time, there will be more than 3,300 participants, including provincial, city and county-level local Party Committee, Secretary of the Commission to attend the training.” There was no mention of Zhou Yongkang in the news.

Chinese bloggers who are used to reading between the lines of communist propaganda, say the "person in charge" of training should be Zhou Yongkang, if he had not been toppled. The "arrest" therefore must have happened on 19th March.

To confirm the guessing game of Chinese media and bloggers, Xinhua released further reports on the activities of senior leaders: Wen Jiabao, Xi Jinping, but Zhou Yongkang is not included.

The image shows a screenshot of the Xinhua news website. At the top left, there is a red banner with the text "新华聚焦" (Xinhua Focus) and "走基层转作风改文风 盘古搜索招聘" (Go to the grassroots, change the style, change the writing style, Pan Gu Search Recruitment). To the right of this banner is the Xingye Bank logo. Below the banner, there is a section titled "高层动态" (High-level Dynamics) with a list of names: "温家宝 李长春 习近平 李克强" (Wen Jiabao, Li Changchun, Xi Jinping, Li Keqiang). A red line is drawn under this list. Below the list, there are several bullet points: "· 国家扶贫开发工作重点县名单调整 脱贫摘帽为哪般" (Adjusting the list of key counties for national poverty alleviation, why remove the hat of poverty?); "· 潘基文呼吁国际社会在叙利亚问题上发出一致声音" (Pan Kiwon calls for a unified voice from the international community on the Syria issue); "· 中央政法委将集中培训全国地方党委政法委书记" (The Central Commission for Work in the Party and the Law will concentrate on training the secretaries of the party and the law commissions in all localities); "· 北川回应汶川地震救灾物资未开包: 多次用于救" (Beichuan responds to the fact that relief supplies for the Wenchuan earthquake have not been opened: they have been used many times for rescue). A red box is drawn around the third bullet point. At the bottom, there is a section titled "急" (Urgent) with a bullet point: "· 日中友好协会要求名古屋市长收回否认南京大屠杀言" (The Japan-China Friendship Association asks the mayor of Nagoya to withdraw his denial of the Nanjing Massacre). Two green speech bubbles with blue borders are overlaid on the image. The first bubble points to the list of names and contains the text "Zhou Yongkang not included in leaders' activities". The second bubble points to the third bullet point and contains the text "The political training was not lead by Zhou Yongkang".

Zhou Yongkang was a notably dark figure in the communist regime in China. The locals of Sichuan province, where Zhou used to be provincial party leader, claim that Zhou used to rape girls in Sichuan, and that before he married the niece of Wang Yieping (Jiang Zemin's wife), Zhou's wife at that time was killed in a mysterious car accident, which many locals claimed Zhou had arranged, so he could marry former leader, Jiang Zemin's relative.

Zhou and Bo Xilai were part of Jiang Zemin's faction and were instrumental in the brutal persecution of Falun Gong practitioners.

In thousands of local rebellions against the corrupt rule of the communist regime, Zhou ordered brutal force to be used against powerless civilians. Zhou was one of the main organisers overseeing the process of the 'multimillion dollar profits' of the horrifying 'organ harvesting' from Falun Gong practitioners.
